On the 22nd June 1884  
I took a walk with Mr. Hope to see  
the new bridge at Newmarket.  
We crossed the river at the old bridge  
and then followed the road through  
the town to the new bridge.  
The new bridge is a very fine one  
and I think it will be a great  
improvement to the town.  
I hope you will like it.  
I am sending you a sketch of the  
bridge and a photograph of the town.  
I hope you will like them.

We exist from day to day,  
surviving on our dreams.  
Inside our minds  
fantastic memories live on,  
and future moments are born.  
The world is waiting;  
our fantasies come alive.

Notes play in our minds,  
separately at first,  
then blending together  
to create a tune,  
the melody by which we live.  
It is a song  
to be sung out loud  
in jubilation,  
or quietly hummed  
in solitary contentment.

## Rope's Spring Play

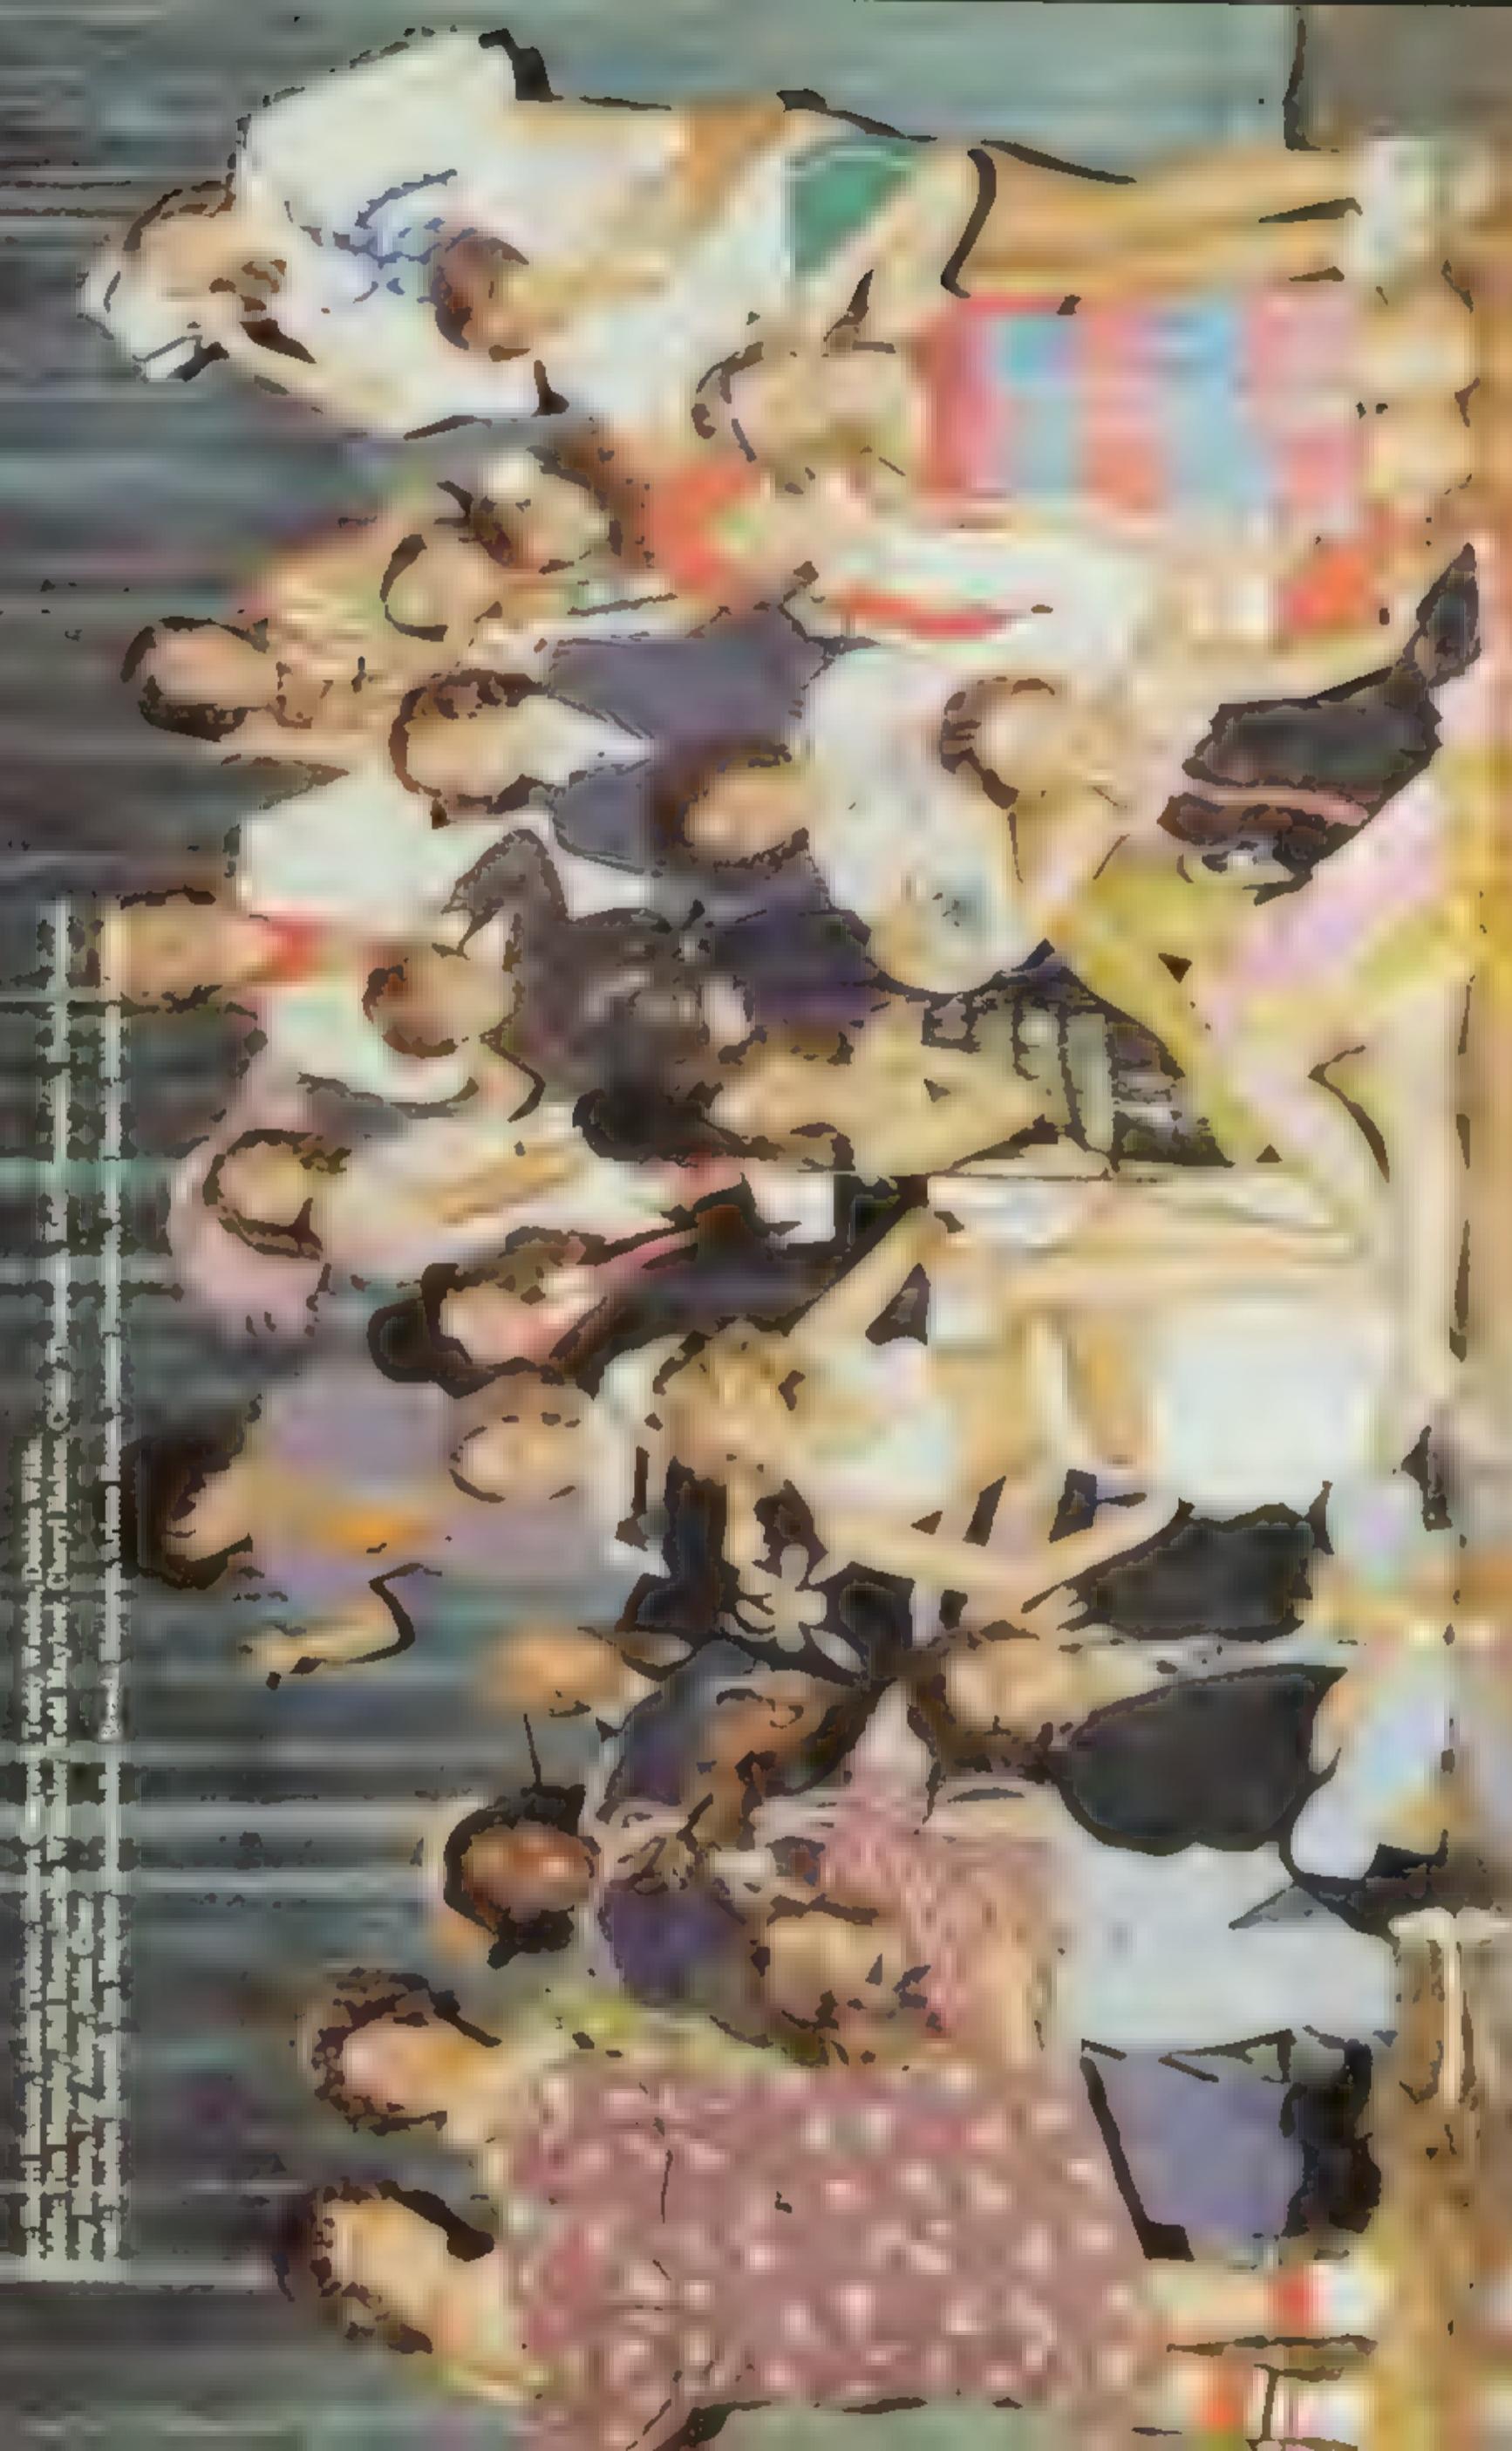

On the last weekend in February the MHS Drama Department presented Kaufman and Hart's contemporary classic "The Man Who Came to Dinner" in the school auditorium. Directed and designed by the erstwhile perfectionist Phil Rope, the large and overly rehearsed cast reflected the months of preparation with confidence and a projection usually absent in a high school show.

As Whiteside, Tim Murphy headed a huge cast that included Laurie Sharp, Linda Turner, Brian Neeley, Beka Staller, Jon Mayhew, Cheryl Haines, Michael DeMayo, Shawn Cosgrove.

## American Field Service

Each year the MHS Chapter of American Field Service attempts to bring a foreign student to our school. This year we succeeded, through the efforts of students and their parents, to bring from Belgium **Paul Meersseman**, who spent the year as one of the Schroeder family members. Also, last summer, we had Anne Sharpe and Beth Hussey on the outgoing program, Anne to the Mid-West; Beth to Brazil. Following the outstanding leadership last year of **Arnaud Friedlander** were this year's Co-leaders, **Kevin Lossner** and **Romana Rudnyk**, pictured above.

STOP

WHAT DO YOU SEE?

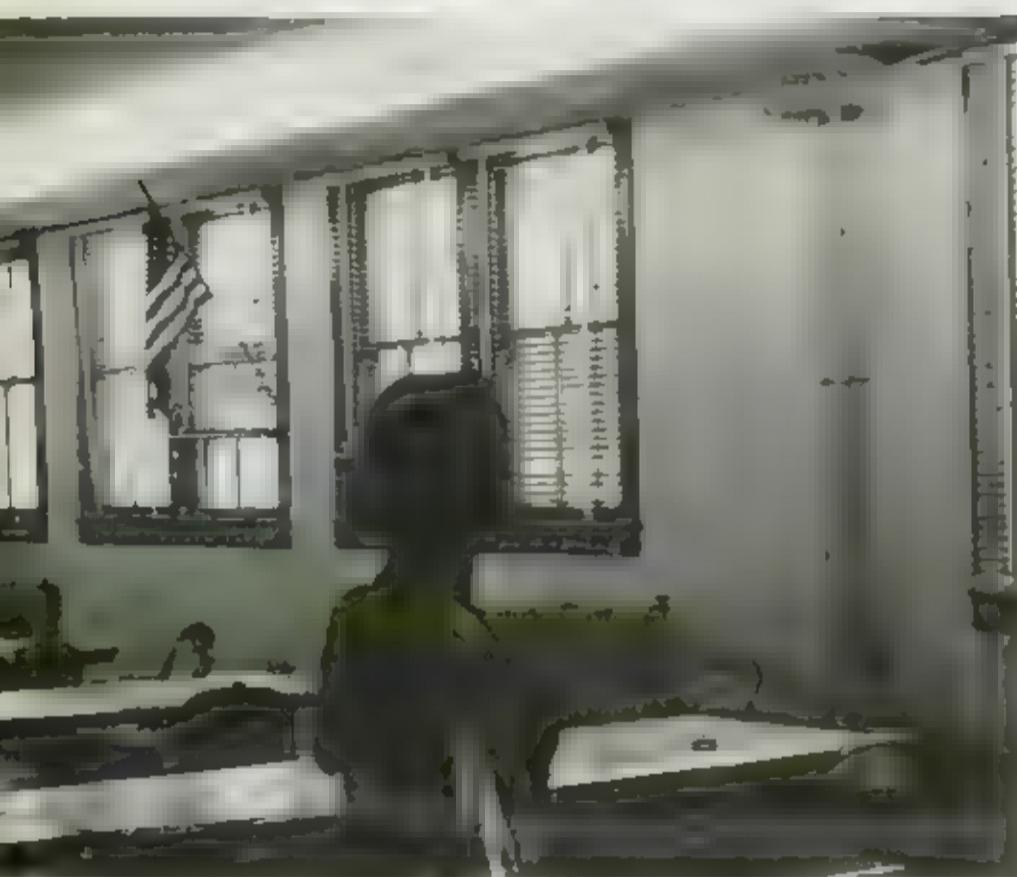

A REFLECTION HINTS OF A MYSTERIOUS WORLD  
WHERE REALITY FADES AND DREAMS TAKE SHAPE.  
A SIMPLE WORD, A FLICKERING IMAGE CATCHES  
YOUR MIND. THE WORLD BECOMES YOUR OWN —  
SUDDENLY YOU UNDERSTAND.  
JOYOUSLY, SOLEMNLY, SURPRISINGLY,  
YOU UNDERSTAND.

# The Search

So many doors and windows to open eagerly, so many more to shut and back away from hastily. Books to read, papers to write, worms to cut up. Wrong Door. Down the hall, straight, then left, there, through the window...

Only a shadow. What am I looking for? The path into my undiscovered self, where I learn the secrets of my own dark world.

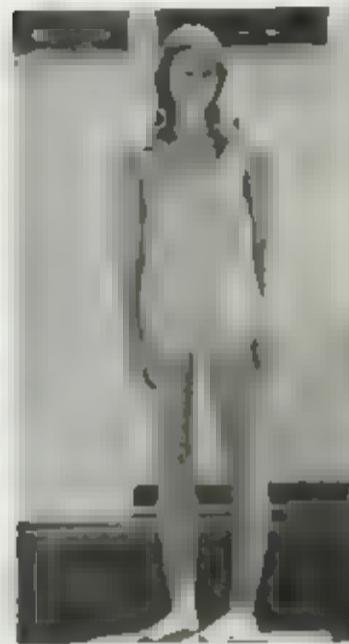

I find nothing more than myself. The secret is realizing that this is enough.

# ING FREE OF OUR COCOONS

Robyn Gillmore, Cheryl Palmer, Shelly, Barbara McFarland, Kathy Flemming, Mary Blank, Dennis Craig

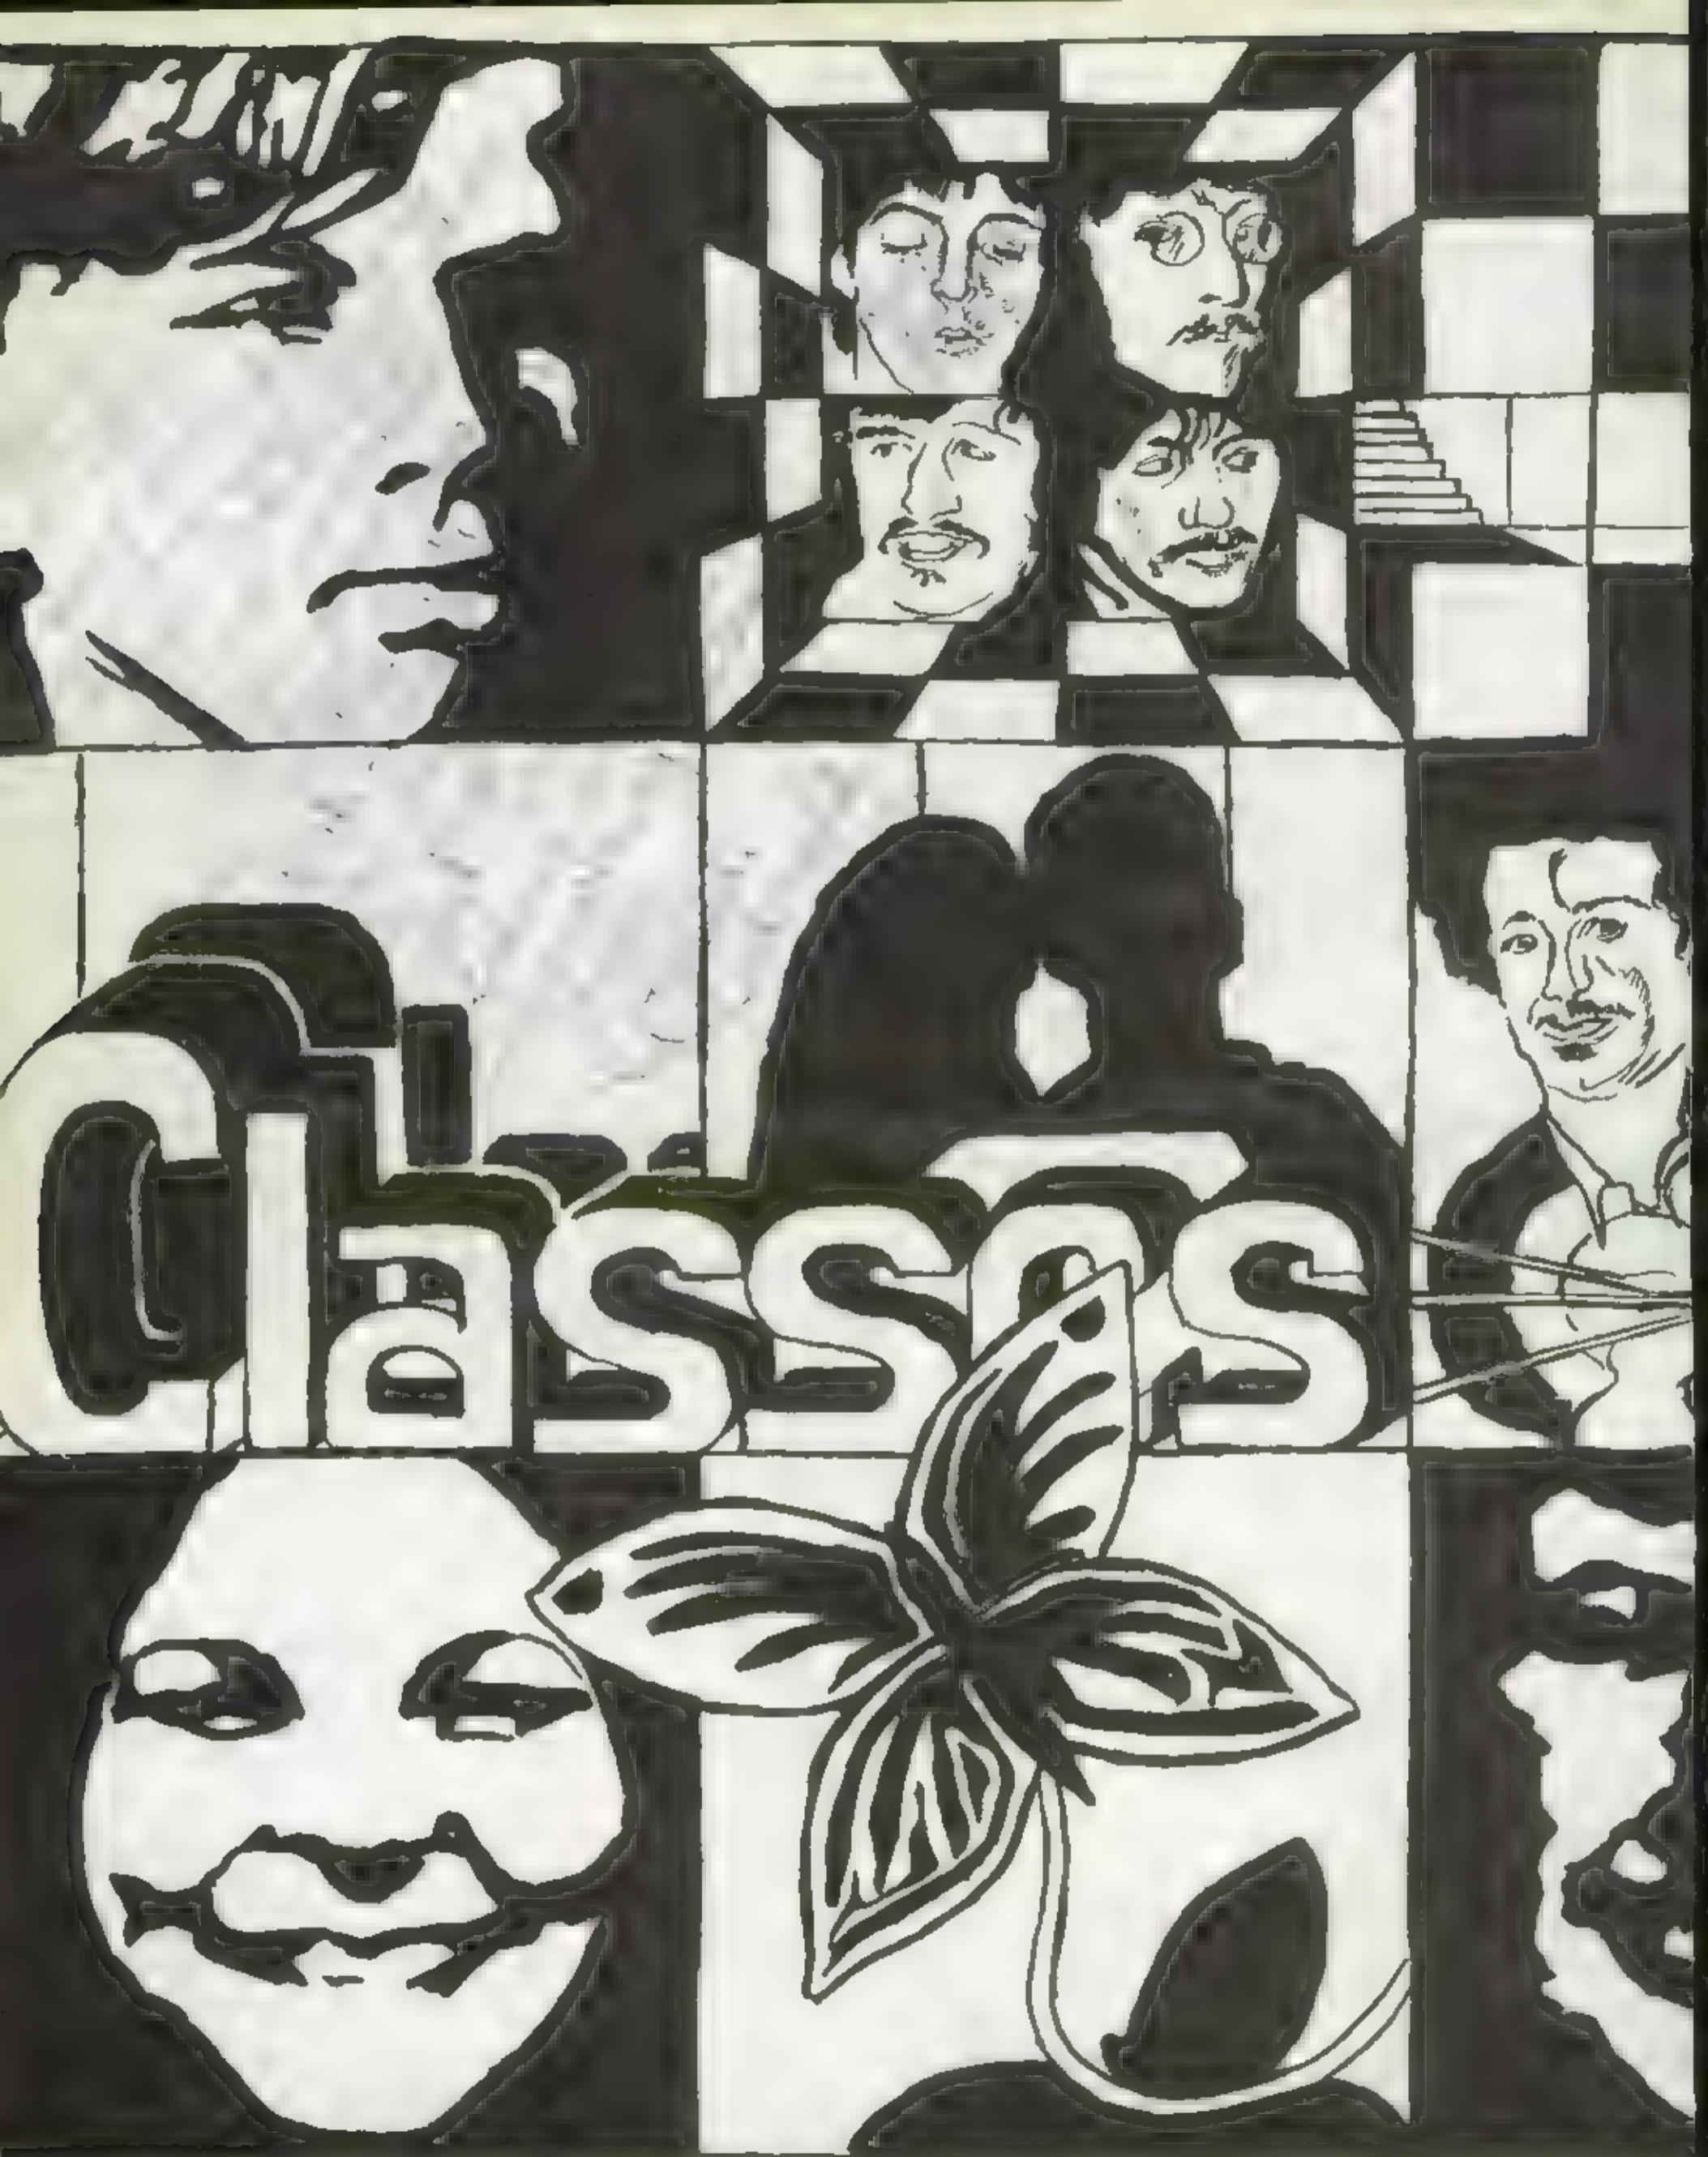

The road goes ever on and on  
Down from the door where it begun.  
Now far ahead the Road has gone,  
And I, must follow, if I can.  
Pursuing it with eager feet,  
Until it joins some larger way  
Where paths and errands meet.  
And whither then? I cannot say.

## BELL MVP FOR SOPHS

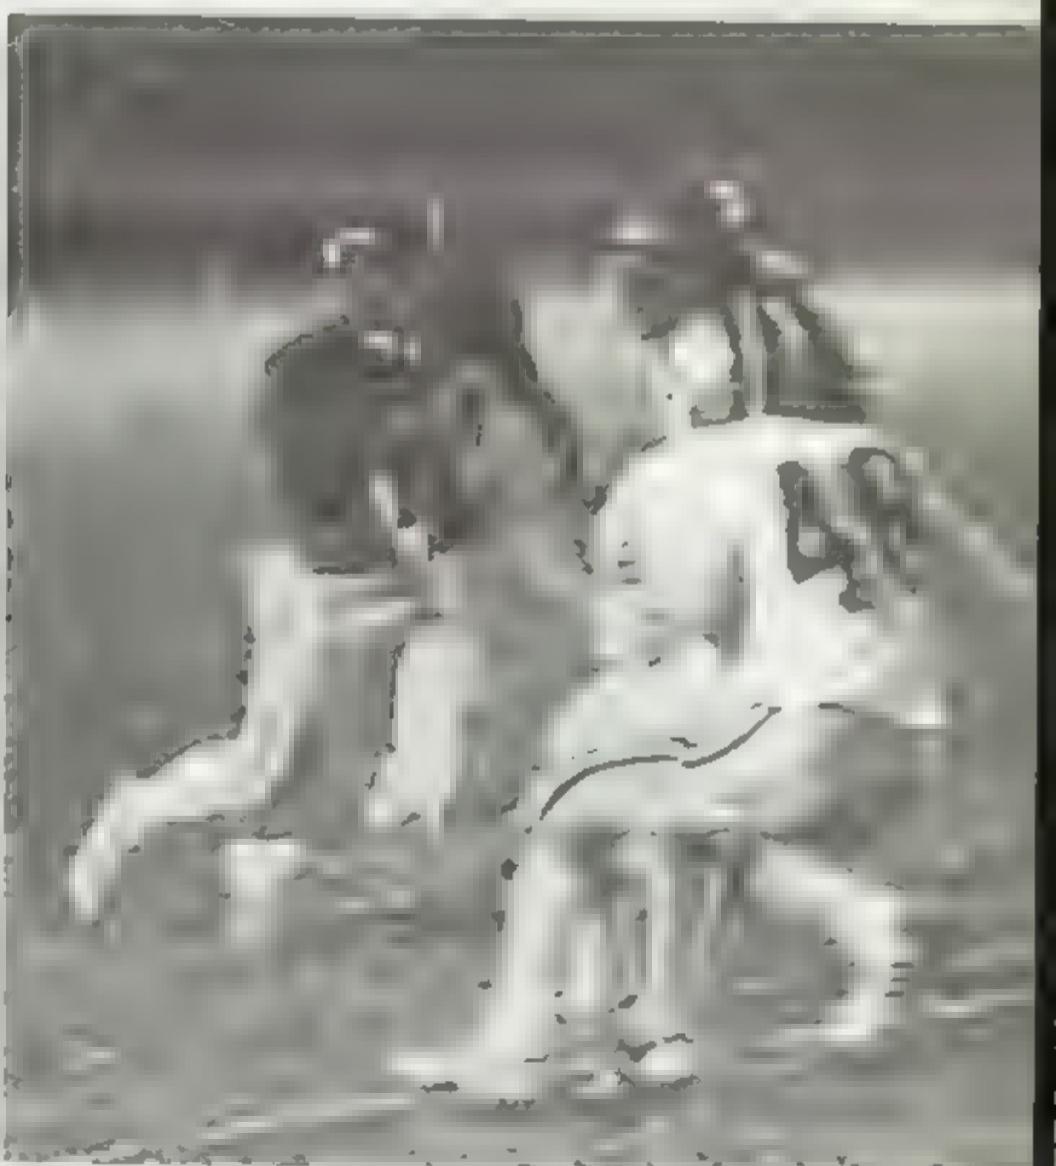

Marked with many challenges and disappointments, the 1978 Soph football season began with high expectations and hopes that were only partially fulfilled. This team had to follow a championship season in 1977. Showing great promise in most all games during the first half, the team had trouble holding on to their margin of lead. Season statistics ended with 1 win and 9 losses. Highlight of the season was the 26-0 victory over Hoover. While the record is not indicative of the individual successes, it does present a challenge to the new Soph team for next year.

This year's Varsity Soccer team had the best results of any other soccer group at MHS since soccer was instituted here. Starting off slow, the group finished strong, winning four of their five last games, and loving to play in mud, the team came to be known as "The Mudders" in League. High Scorers this year were Mario Velazquez with 14 goals, the most any Varsity player had ever scored at MHS. A very close second with 13 goals was Frank Simpson, a Junior. In third was Gary Johnson with nine goals. Their over-all League record was 5-7.

## Hoopsters Enjoy Successful 78-79 Season

Compiling a fine overall record of 19-7, the Varsity Cats put together a string of thirteen consecutive victories, the longest streak in eleven years and the fourth longest in Monrovia history. Among the wins there were tournament championships at Bosco Tech and Nogales. Foothill League play saw Monrovia finish second to earn the Wildcats a trip to the CIF Playoffs, where they were edged by La Habra, 47-45. Of the seven setbacks five came by a total of ten points. Captain Curtis

Burnett was the heart of the Cat team. He was the leading scorer and rebounder. Curtis was a first team All-League selection. Morris Jackson was the Cats' second leading scorer and All-Tournament at Bosco Tech along with being a second team All-League. Edwin White was All-Tournament at Bosco and Nogales, a second team All-Leaguer, while Ed Wooster was All-Tournament at Bosco and always a powerful force in the Cat attack.

## VARSITY BASEBALL WILDCATS ON THE MOVE

The Monrovia Wildcats Varsity Baseball team had a whole new look for 1979. Under the direction of new head coach Pat Ryan and assistant Larry Williams, the Wildcats were counting on a winning season. After the previous seasons, there was nowhere to go but UP.

Coach Ryan, a USC graduate and former major league player, was most enthusiastic about the team and the season. Hopes would rely on the arms of two-time letterman pitchers Todd Rasmussen and Ed Wooster, first year men Terry Baxter, Derek Baber and Ron Towles . . . all of them most impressive in early workouts. The team was well-rounded in talent, and as soon as they realized the winning potential, they were expected to be a team to be reckoned with.

"Young and enthusiastic" sums up the foundation for newly acquired coach Andy Montgomery and his J.V. Baseball team.

Montgomery, a '78 graduate of Monrovia High, is hoping for a promising season (as we go to press) in his first year as coach.

"What they lack in talent is made up for by determination and hustle," said Montgomery.

He continued, "The season has started well for us, and I just hope they will continue to play with the same enthusiasm throughout the course of the year."

# CROSS COUNTRY DEDICATED

Coach Lloyd Higgins suffered another disappointing season with his marathon runners.

The Cats finished 0-7, keeping pace with recent previous seasons.

Derek Furakawa showed some promise, finishing among the top 25 runners in the League.

A positive Coach Higgins anticipates a better season next fall.

Fresh off the football field, coach Regis Kearney attempted to give a new meaning to Monrovia tennis. At press time, Coach Kearney hoped this group would put the Wildcats back on the map.

## Good Season for Learning

Girls' Tennis, coached by Jim Wilson, finished with a disappointing 0-10 League record. Pre-League, the girls finished 2-4 with wins against Temple City and Duarte. Wilson stated that it was an improving year. A lot of players learned and are interested in improving their skills.

The League being highly competitive Monrovia lacks the quality facilities the Burbank area has. Coach Wilson is looking forward to a good year next year when his stars will be Patty Dykstra, Lorie Hinds, and Rosemary Moreno.

## Easy Start Costs Title

The Girls' Varsity Volleyball season proved to be lopsided. Under the coaching of Marney Davidson the Wildcats finished a successful pre-League schedule going undefeated. They faced Rosemead, Mt. View, Keppel, San Gabriel, Arcadia, Alhambra and Arroyo. Coach Davidson was concerned that the pre-League matches would be soft and not give her girls enough competition as they went into the tough Foothill League, where all the teams are at a high competitive level.

This proved to be true, for the girls finished a disappointing fourth place, finishing 4-6 with the wins against Burbank and Blair, both of which were beaten twice. Overall, they finished 11-6 and were a much improved team over last year. The team loses three Seniors: Antoinette DeVargas, Tracy Hueth, and Susan Kelly, the first two being recognized as All-League players. Returning next year are Angela DeVargas, Dinah Grote, Sandra Mitchell and Maureen Vild, the first three also being recognized as All-League players.

## J. V. Volleyball Takes Third

BACK: LouAnne Leach, Erin Smith, Lori Salter, Wanda Haines. FRONT: Anh Nguyen, Veronica Marchand, Faith Schlesman, Jacqueline DeVargas.

## J. V.'s Short on Players

Marked by a lack of players, the J. V. Volleyball team this season came through one win above the even mark. Coach Sherry Turner, an All-League player in her Monrovia High years, took the team to an overall 9-8 mark. During pre-League the girls went 4-3, beating Rosemead, Mt. View, Keppel and Arcadia, and losing to San Gabriel, Alhambra and Arroyo.

In League the girls tallied a 5-5 record good enough to clinch third place.

"It Was a Very Good Year"!

That song title tells the story of how Coach Jerry Simmons and the girls in the program felt about the 78-79 basketball season.

Both the Varsity and JV's, finished FIRST in the Foothill League, with the Varsity going 10-0 while the JV's finished 9-1. It was the second year that the JV's won the League and their record is 19-1 in League.

Sandra Mitchell, a Junior, averaged seventeen points per game and nine rebounds. She was voted MVP of the Foothill League by the coaches.

## Varsity Shows Offensive Punch

Varsity Girls' Softball was looking forward to a winning season and more. With five All-League returning varsity players — this team was expecting great things to happen. Their goal was CIF competition at the end of their season.

Top performances were expected from Antoinette DeVargas, Pam Duval, Dinah Grote, Tracy Heueth and Maureen Vild.

## J.V.'s Get New Coach

J.V. Softball, under Coach Betty Bogolin, was also hoping for a good season. With the addition of many outstanding freshmen, the return of six players, the team was looking to improve their record from last year and to gain a J.V. championship.

# J.V.'s CAPTURE SECOND

Under the direction of Coach Ken Lipkin and Assistant John Parker, the J.V. Basketball team enjoyed a fine 14-8 year.

Their 7-3 Foothill League mark earned them second place.

With only two Varsity players returning, the bulk of next year's Varsity team should come from this group.

How successful they are depends on their work and dedication. It is assumed that they are up to the task.
